THE DOMUS ACADEMY LONDON EXPERIENCE

Experience London, one of the most creative and vibrant cities in the world, living the most significant trends and ideas of contemporary design and fashion, and at the same time, have the opportunity to improve your skills and knowledge of the English language.

The Domus Academy London Experience is a unique combination of three elements:

**Experience**
A workshop - to be chosen between Fashion and Design - where you will develop an international overview of contemporary Fashion and Design. Students will create their project under the supervision of professionals and will develop a solid comprehension of the creative process.

**Culture**
A journey in the heart of the London creative scene that will let you discover the best of the fashion and design industry. Students will take part in lectures and go on guided visits to exhibitions, museums, global stores and the most significant sites for creative trends.

**Language**
An English Language Course will allow you to improve your language knowledge linked to the fashion and design contexts.

**Objectives**
Students will be able to explore and analyze the unique reality of London’s fashion or design culture and then translate their experience into a personal project.

**Audience**
Fashion or Design/Interior/Architecture students with a strong interest in the world of contemporary Fashion and Design in the London context.

**Methodology**
The Domus Academy educational approach is based on a “learning by designing” method that fully integrates lectures, visits, research activities and project work, finalized to the development of a personal project.

**Professors**
Our professors are selected among the best Italian and International professionals in contemporary Fashion and Design sectors and they will be able to give you a complete overview of the London creative scene. English teachers are part of the academic staff.

Domus Academy, first postgraduate design school in Italy, offers master programs in the fields of Design, Fashion, Architecture and Business. Domus Academy has been ranked as one of the world’s best design schools by Frame Magazine, Domus Magazine and Business Week.

In December 2009 Domus Academy joined the Laureate International Universities Network, a trusted global leader in providing access to high quality, innovative institutions of higher education.
